

Locality Teams

This team would handle longer-term work with children and families, which would include court work, adoption work, short to medium term and long term interventions with looked after children until the second review. These teams would assess and effectively case manage all cases in the following areas of work:

- undertake core assessments and/or re-assessments
- use child protection procedures where necessary
- work with children in need
- work with looked after children until the 4 month review
- court work and adoption to final hearing
